

21st April 2023

Dear Parent/Carer

Re: The Royal Navy 'Ready Steady Cook' Training Session – Year 10 Hospitality – Monday 22nd May 2023

The Royal Navy Chefs will be delivering an interactive cooking experience for our Year 10 Hospitality students. This will give the students an opportunity to explore careers in hospitality as well as seeing professional chefs cooking and presenting dishes. This workshop is offered only to Y10 Hospitality Students and is free of charge.

Ready Steady Cook (120 mins): An interactive Master Chef style lesson in which the class will be divided into equal teams of no more than five students and presented with a box of ingredients for two dishes. The aim is to create the two dishes (main & dessert) within the time frame. This is a great activity to exercise pupil's initiative, teamwork, communication and time keeping skills and is extremely popular. All ingredients are provided by The Royal Navy Chefs.

Due to the timings the students will have access to DINE at Break 1 and then have a short, supervised second break from 12.30pm till 1pm. The students are welcome to bring a healthy snack and drink to school to have during this second break as DINE will not be open at this time.

This is a wonderful learning opportunity for the students and we ask that you complete the form on this link <https://forms.office.com/e/WvmPxAt55z> by Friday 12th May to give permission for your child to attend and advise any allergy or intolerances they have.

Kind regards

Kasia Williams
Teacher of Food Technology
