Newsletter 11th—15th March 2024

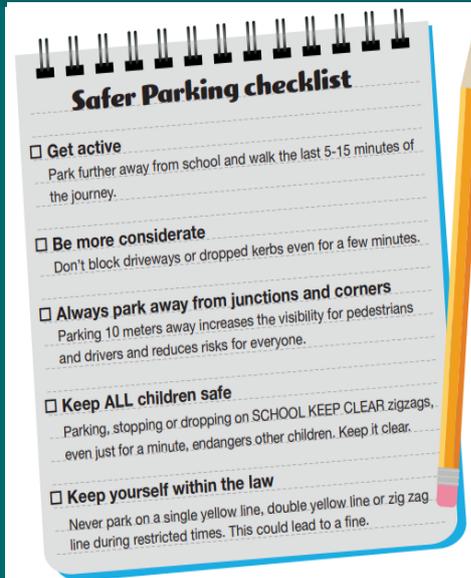

Dear Parents and Carers,

Our Sixth Form Business students were delighted to learn on Monday, that following their very successful charity bake sale as part of their assessment, the team managed to raise a grand total of £213.04. This was a wonderful start to the week and all proceeds will be put towards funds for Sean’s Court. Thank you for everyone’s support of the event to make it such a success.

On Wednesday 27th March, we will be welcoming ‘Theatre for Schools’, and Years 7, 8 and 9 will be invited to watch a performance of their production ‘Breaking the Chain’. The company specialise in using theatre to present key messages to young people and this performance will focus on raising awareness of knife crime in an accessible and engaging way. If you would like to learn more about the upcoming performance, please contact Ms Chate via [p.chate@coxgreen.com](mailto:p.chate@coxgreen.com).

May I also take this opportunity to remind parents, carers and visitors to the school, to remember to park safely and considerately when visiting the school. Please take care to park in the designated areas and avoid parking on grass verges near the school.

Wishing you a wonderful weekend,  
Mr Edwards, Headteacher

## Eton College Debates

On Monday, the Eton College and Cox Green School debating exchanges continued at Cox Green School, with a focus on Health and Education. The motion students prepared as a whole group was "This House would force all citizens to use public health and education." Both sides of the motion effectively engaged in the arguments of the other, with their rebuttal and counter-rebuttal. For the affirmative, arguments were put forward of equality for all, including opportunity, better resource distribution and making sure all decision makers had a direct stake in providing the best healthcare and education services available. For the opposition team, there were arguments such as: People should have the freedom to spend their money as they wish; how celebrities and other society members who are likely to be targeted by the press would want protection and security at health and

education institutions they or their children attend; and how inequalities will always exist as there are opportunities for tutoring outside of school. In a debate that was too close to call, the students continued discussing the issues after the debate was over!

## Year 10 Computing Class

Year 10 Computer Science students have been developing their coding skills by practising with the BBC microbits and cutebots.

## U17 Basketball: Cox Green 60, Furze Platt 59.

The boys' basketball team played Furze Platt in a terrifically competitive match on Wednesday. Cox Green took a small early lead, however Furze Platt quickly went in front. A fine first half team effort from Cox Green saw us go into the break trailing by 1 point. Whilst it was a great team effort, there were also 3 excellent individual performances especially in the second half. Man of The Match Ted Mizov was outstanding both on offence and defence, and he was assisted by great leadership, calm play and some crucial points from Theo Georgakopoulos.

David Carrillo Chavarria also shone using his quickness to excellent effect and scoring well, from close to the basket. As time ran down into the final minute, Cox Green trailed by 1 point. Good passing allowed David to drive to the basket and score, giving us the lead by 60-59 and then our defence stood firm, preventing Furze Platt from taking another shot. An excellent win and testament to the hard work all the players!

## Congratulations to our Year 7 Poetry Workshop Winners!

In the sessions, Year 7 set to work to write a poem about voices of historical figures or different emotions as characters in a story. It was wonderful to see the enthusiasm and creativity of the students

## Year 10 Spanish Language Immersion Trip 2024

Our Year 10 Spanish students arrived safely on Thursday! The group will be staying in El Puerto de Santa Maria in the bay of Cadiz as part of an exclusive Spanish language immersion experience. The trip will offer the students a chance to learn an extended level of vocabulary as well as new skills. Whilst in Spain, the students will be able to participate in activities such as touring El Puerto, visiting a local market and the beach, learning to Flamenco dance, cooking Paella and visiting Torre Tavira watchtower.
