Newsletter 15th—19th January 2024

Dear Parents and Carers,

This week's assemblies have been focused on internet safety and online well-being. In an interactive session, students discussed the risks of sharing passwords. We have been made aware of an increase in students sharing login details for Edulink and have reminded our students of the importance of using login details securely. Please do remind your child not to share their login details with friends as this compromises the security of their personal information and enables potential misuse. Further support and tips for staying safe online are available on our website here: [Keeping Safe Online \(coxgreen.com\)](http://Keeping Safe Online (coxgreen.com))

A question ever at the forefront of all our teachers' minds is how to inspire and encourage our students. Today, we find ourselves receiving a lesson in just that from a young Mr Lev Grebenchuk. In a commendable show of comradery, he has taken it upon himself to mentor his fellow Ukrainian in Year 7 to help him feel settled and comfortable. We all have cause to celebrate the example he has set.

Wishing you a lovely weekend,  
Mr Edwards, Headteacher

## Swimarathon: 14th January 2024

A huge well done to all of the students who participated in the Swimarathon last weekend! Everyone worked really hard as a team to swim as many lengths as possible in their groups within 50 minutes. The team has raised over £1,200 which is an incredible achievement. The funds raised will be split between Maidenhead Lions and Alexander Devine Hospice. We are very proud of all the students' efforts – Well done!

If anyone would still like to sponsor the students then please do so by following the link below:

## Synchronised Ice Skating

Mr Edwards would like to congratulate Megan Turnbull for winning Gold and Bronze medals in the Junior B and Mixed Age categories for Synchronized Ice Skating. Megan was also an assistant coach for a younger Pre-Juvenile team, who then also came away with another Gold medal! This was an amazing achievement for the club and all skaters involved!

Special mention and congratulations to Ruby Reilly and Imogen Bishop who also competed in the Championships. Well done!

## Eton College Debates:

On Monday the 15<sup>th</sup> of January, the debating exchange with Eton College resumed, with Eton College debaters visiting Cox Green School. On this occasion, the motion to be prepared and debated was "This house would abolish the monarchy."

A good period of time was spent as an entire group preparing arguments for and against, looking at aspects such as inequality, accountability, best ways of organising a democracy, economic gains and more. The group then split into two debates where these points were hotly contested. After much deliberation, adjudicators agreed with the negating teams that the monarchy should be retained. We look forward to welcoming the debaters back to school next week!

## Congratulations to Caden Lawson!

Caden Lawson has been selected to represent Team Berkshire in the Under 13 Boys team at the Sportshall South Regional Final which takes place on Sunday 18th February. Mr Edwards would like to congratulate Caden for his recent sporting achievements; Caden has performed particularly well in the sprint races and achieved top 5 across all the local teams. Last weekend, Caden and the U13 boys team from Maidenhead Athletics came 3rd overall, which was a huge achievement for the team and all involved. Caden has been selected to represent the county in future competitions.

We wish him well and look forward to hearing the results!

## Sixth Form Taster Day

On Thursday, our Year 11 students were invited to experience a day in the life of our Sixth Form. In one of the A-Level taster sessions, our students had the opportunity to create a portrait.
