Dear Parents/Carers

**Year 9 and 10 - Science in Action Trip – Tuesday 13 December 2022**

We have arranged to take our Year 9 and 10 Science students to the Science in Action Lectures, at the Emmanuel Centre in London, on Tuesday 13 December 2022. This trip will engage students within Science and show them the wider applications of the subject and we strongly recommend attendance for those considering a future career in science. Students will experience interactive sessions, demonstrations, audience participation and a session on examination success to equip them with the tools to succeed.

The cost of this trip is £33.00. There are 30 places available and will be allocated on a first come, first served basis, via your child's sQuid account. Please make payment via your sQuid account and you will be able to do this from 7pm on Sunday 23 October 2022 (closing at 10pm on Wednesday 26 October 2022). Please note that due to the nature of this trip, we are unable to refund the cost, if your child is unable to go.

We will travel to London by coach, departing Cox Green School at 8.30am and returning to school for approximately 5.30pm. We ask you to please arrange collection of your child accordingly at this time. Students are to wear full Cox Green School uniform on this trip and we ask that they bring a packed lunch, snacks and drinks to last the day. Please note that in line with school policy, mobile phones are not allowed on any school trips.

Should the school need to contact you in an emergency, we will use contact details supplied on your most recent OA4 Form (off-site activity form). If there are any changes to the details on this form, including any medical or dietary requirements, it is the parent/carer responsibility to inform the school.
