Newsletter 15th—19th April 2024

Dear Parents and Carers,

I hope you all had an enjoyable Easter break and we are delighted to welcome our school community back for Term 5. The DofE students departed this morning for their Silver Award practice expedition. They will be camping for two nights and practising an assessed hike. Tickets are now on sale for Open Mic night which will take place on Tuesday 23rd April. Good luck to all of our talented students that are taking part and we look forward to what will certainly be an enjoyable evening.

As we start to approach the school exam period, we appreciate that for some of our students this can be a very stressful time. Please encourage your child to speak to our SAFE Team or Sixth Form Mentors if they are feeling anxious about their upcoming exams. Best wishes and good luck to all of the A-level students that have been preparing for their art exams this week.

Wishing you a wonderful weekend,  
Mr Edwards, Headteacher

## Staying mentally healthy during exam time

As we head towards the main exam time it's worth revising how we can support young people at what can be a very stressful time.

Young Minds have a series of support pages aimed to help with exam stress and anxiety. Their advice is available to help parents and carers and, of course, young people themselves.

You can find this helpful advice via the links below:
