

Dear Parents and Carers

We have had a great start to the Academic Year and I have been greatly impressed by the engagement and positive attitude of students in their lessons. The change to the school day timings is working well and I must commend how smart our students are looking and their commitment to wearing the correct school uniform each day. Please do continue to email your child’s tutor if there are any issues or delay with items of uniform so that we can ensure that staff are aware.

Our Open Evening event is taking place next Thursday 15th September for 2023 intake and a reminder that the school will close early on Thursday at 12.30pm and we return slightly later on Friday 16th at 9.40am. This is a great opportunity for us to showcase our amazing school and thank you to the Student Ambassadors and Speakers who have volunteered to assist with the evening.

I was thrilled to receive an email this week regarding one of our Year 8 students, Martin Suija, who went out of his way to help a family with a young child who were lost. He accompanied them to ensure that they were ok in the torrential rain. Martin will be receiving my ‘Headteacher Community Award’ for showing such kindness and being a shining example to others. Well done Martin!

Sadly, we join the rest of the nation in mourning the passing of Queen Elizabeth II, who served our country and the Commonwealth for over 70 years. Details of how we will be commemorating the Queen and celebrating the Coronation will be shared in due course.

Wishing you all a lovely weekend,

Mr Danny Edwards, Headteacher

Introducing The Lord Lieutenant's Cadet—Natasha Sloan

Congratulations to Natasha Sloan (12.3) who has been appointed Lord Lieutenants' Cadet for 2022/2023 and will take up the role from 29th September 2022 after being sworn in at Sandhurst Military Academy. She is one of four cadets who will support the Lord Lieutenant of the Royal Borough in the coming year. She is the Sea Cadet representative.

It is a great honour and an achievement to be selected and has taken a lot of hard work and effort over the years. In April this year, she became the youngest female cadet to achieve becoming a Petty Officer cadet and she spent her 16th birthday away on a weekend course in order to progress, alongside preparing for her exams!

She has done amazingly well this year, also representing Berkshire and the southern area Sea Cadets in many events; winning Gold in the summer in the Senior Girls Canoe Solo Cross Stream and Silver in the Doubles Canoe Cross Stream at the National Combined Regatta .

Cox Green School is very proud of your achievement, Natasha . Well done!
