

Dear Parents and Carers

Thanks to our Sixth Form students for engaging with the Year 11 PD session this week and being on hand to give advice and information on the pathways and subjects available at Cox Green after GCSE's. I know that students value the opinions of their peers so having the opportunity to talk to each other about their experiences is of huge benefit to our student community.

As the days are becoming shorter a quick reminder about keeping safe when cycling to school. Please do ensure that bikes have lights and students are wearing a cycle helmet. In addition, please ensure that students are wearing tights with skirts and all students have warm coats.

Thank you to Mr Gullick and Unity for leading this week's assemblies focussing on Black History Month. Our values are Be Respectful, Be Kind and Be Determined and at Cox Green we want to ensure that Black History Month is not a one off, that we celebrate each other and value everyone, at all times.

I was delighted to learn that our Year 8 football team are through to the third round of the National cup after their win this week, and wish the Year 11 Boys and U15 Girls the very best of luck in their National cup matches next week.

We have a couple of events next week, Open Morning for prospective students on Tuesday and I look forward to meeting our Year 7 parents and carers at the welcome event next Thursday.

Have a lovely weekend

Mr Edwards, Headteacher

Sixth Form Enrichment—The Kitchen Project

Our Sixth form Enrichment programme got off to a strong start this term. Last week, the Kitchen Project got underway with their first practical session. Ms. Collier and Mr. Chinyangarara are working with the group to research and develop recipes that make good use of ingredients so they can work to a budget effectively and produce food that is healthy and quick to prepare. As the year progresses they hope to share their cooking with various community projects so if you have any suggestions as to how they might be able to do this we would love to hear from you!

Please email enquiries@coxgreen.com

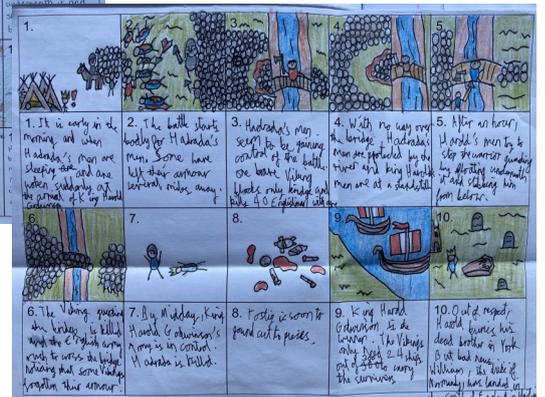

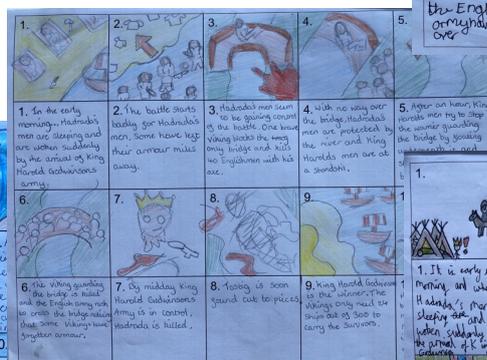

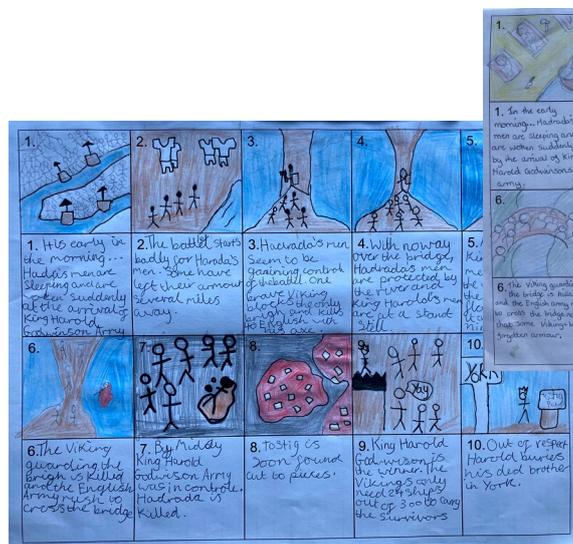

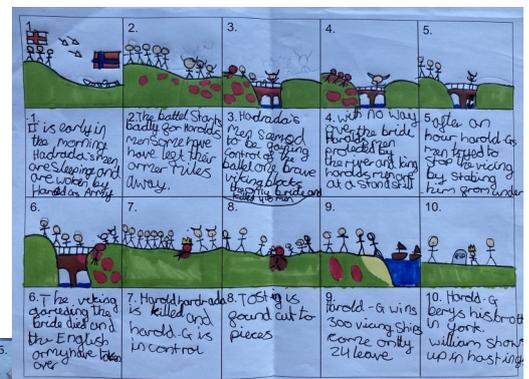

Cox Green Meet at Maidenhead Park Run

Congratulations to Amy who smashed her pb at maidenhead parkrun with 29.53

Year 7 History - The Battle of Stamford Bridge

Mr. Green has been really impressed with the work of 7CHI3 who have created some amazing storyboards describing the events of The Battle of Stamford Bridge. Well done Isabelle B, Timothy C, Joshua S, and Abby D! Keep up the good work!

If you have any items for the Newsletter then please email enquiries@coxgreen.com

Jamie's Farm Visit

Jordan Briley Yr 12-

A group of Year 11 and Year 12 students went to Jamie's Farm in Wiltshire for five days. We were assigned with a wide variety of tasks to complete throughout the week. The tasks included cooking, gardening, looking after wildstock and cleaning. These tasks taught us how to lead and show resilience, which we will all now take back to our normal school lives and develop more skills to help us in all aspects of life. Personally my favourite task was grooming the horses and picking their hooves out as I could get up close and personal with the horses. Overall at Jamie's Farm my experience was all positive and I do not regret going.

Josh Akerman- Yr 11

At Jamie's Farm we completed a variety of tasks given by the Jamie's Farm staff. A couple of tasks we completed were animal feeding, cooking, gardening and many more. My first thought of the farm were very sceptical of what it would be like and how they would treat us. However, my final thoughts of the farm have changed and now I think the staff are very interesting, they treated us very well and they listened and understood us. My favourite part of working on the farm was herding sheep with Kaylin and Aysha. The reason this was my favourite because the sheep were making us laugh and I enjoyed wrestling a sheep into the wall.

Kaylin Toffa Yr11-

My experience at the farm was really good and exciting as I was able to try so many new things. Everyday I was able to try something I had not tried before such as herding sheep, feeding pigs and exploring caves. Overall my experience was amazing and made me learn things about myself.

Lily Jackson Yr 11-

Coming to the farm was a weird unexpected experience. At first it was very different to home life for some people. The farm is a safe place to chill out and to even tell others your feelings. The farm give you so many opportunities and teaches you so many different things and how to believe in yourself, love yourself and to let others in. When you realise your time at the farm is coming to a close you have already become close with the staff, animals and just the countryside so I say make the most of it!

Football News

The Year 8 Boys Team travelled to The Winston Churchill School for the second round of the National Cup, running out 4-2 winners. The team played extremely well in their first game for Cox Green at 11-a-side, with goals scored by Kaamil-Zaim Davis, Marley Campbell and a brace for Freddie Burnard. Other notable performances include solid defensive work from Sunveer Parmar and Noah Bartlett and excellent energy in midfield from Ollie Quelch.

Player of the Match: Freddie Burnard
