

Cox Green Newsletter

Newsletter 23rd—27th September 2024

Dear Parents and Carers,

This week, you may be aware of the recent updated guidance from the Food Standards Agency regarding the recall and investigation of products containing mustard, mustard powder and mustard flour, as these ingredients may have been contaminated with peanuts. Until further notice, we are advising all students with a nut allergy to avoid any products from the canteen that contain these ingredients. If your child has a nut allergy, please encourage them to speak to the catering team for help checking the allergens.

All students took part in Personal Development sessions on Monday. Year 7 studied British values and Year 8 discussed ways to stay safe online. Year 9 researched employability skills, Year 10 considered ways to make good financial decisions and Year 11 discussed ways to sustain healthy relationships.

A gentle reminder to all parents and carers, that students are expected to be in full uniform, including their blazers and ties.

Wishing you all a lovely weekend,
Mr Edwards
Headteacher
