Expectations and Code of Conduct

- You will be representing the school on this trip.
- International school trips and skiing are high risk activities. Positive behaviour is a must. We expect you to demonstrate excellent standards of behaviour.
- As we are in a country that is unfamiliar, it is essential that you listen to and follow all instructions to make sure you have a fun and safe time on the trip.
- Poor behaviour choices could result in:
 - Loss of après ski
 - Phone call to parents/carers
 - Loss of ski time (after discussion with SLT)
- Not skiing is not an option.
