Newsletter 29th April to 3rd May 2024

Dear Parents and Carers,

Well done to all the GCSE and A-Level Art & Graphics students for completing their final pieces for their assignments. The Art Department are very impressed with the hard work and effort demonstrated by the students. Congratulations to Joshua Santacaterina, Bishan Obhi and Jack Elliot for achieving the Gold Award for 1000 positive points this week. It has been wonderful to see so many students receive their postcards and awards.

This week, 49 DofE students from Year 9 took part in their Bronze Training Day. Their training involved practising first aid, route planning and preparing their kit and equipment. We hope they enjoyed their training day and feel ready for their next expedition.

May I take this opportunity to wish you all a wonderful, restful Bank Holiday weekend.

All year groups return to school on Tuesday 7th May at 8.35am.

Best wishes,  
Mr Edwards, Headteacher

## Year 11 & 13

If you have any library books at home, please could you return them before you leave. It does not matter if you have had them for ages, we will be very pleased to welcome them back. We will then be able to clear your library account. You can return them during the school day or anytime via the Library Drop Box.

## Year 8 Basketball

The Year 8 Basketball team played Bohunt School in a close and exciting encounter. Bohunt took an early 10-4 lead before Cox Green fought back to level at the end of the first quarter. With Guy Tollington scoring freely, and good support from his teammates, the game was still close at half time with Bohunt ahead 23-20. In the second half, Cox Green stepped up their defense, with Jamie Gillard, Isaac Poole, Ekam Bassi and Nhat Nam Tran all marking their opponents closely. This forced Bohunt into turning the ball over and allowing us to fast break, duly taking the lead. With good drives to the basket for scores by Zubair Badhwal and Jake Bailey, we remained ahead and although Bohunt did reduce the lead to 1 point, Guy Tollington scored again to seal a well-deserved 40-37 win! The team have worked hard in training throughout the year and this win was a great

## Year 11 Food Technology:

# Student News

On Tuesday, GCSE and A-Level Music & Drama students visited the Victoria Apollo Theatre in London to see Wicked!

Mr Aston's Year 10 Psychology classes had fun sculpting models of the brain using Play-Doh, and got creative sketching mind maps.

## REVISION!

### DO

- Give yourself time to revise – do not aim to cram the night before
- Make a revision timetable – choose a specific topic to revise. E.g. revise 'holidays in Spanish', not the whole subject in one go
- Revisit the same material over time
- Start now

### DON'T

- Just keeping aimlessly re-reading your notes. Give your revision meaning.
- Only revise the subjects you enjoy – it's likely the subjects you don't like might need more work
- Highlight everything
- Worry!

## #LiteracyMatters

On Friday, Years 7, 8, 9 and 10 took part in 'Drop Everything and Read'. From poetry to news articles, the students were encouraged to select and read their own materials to improve their literacy skills.
