

Dear Parents and Carers

A very warm welcome to all students and staff ,

Firstly, we would like to congratulate all A-Level and GCSE students on their successes from recent Results Days. We are extremely proud of all that you have achieved, and we wish all students the very best for their future. My sincere thanks to all our wonderful staff, parents and carers, whose support to the children is invaluable.

While the warmer weather is set to continue into next week, please may I remind you that students are expected to wear the correct school uniform each day, including their blazers and ties for registration. Staff will permit the students to adjust their uniform once onsite and these adjustments will be reviewed on daily basis in accordance with the updated weather forecast.

Please do continue to email your child’s tutors if there are any issues or delays with items of uniform so that we can ensure that the staff are aware. It is also important to ensure that uniform is labelled to ensure that missing items can be reunited with their owners as the students return to the routine of the new term.

Wishing you all a lovely weekend,
Mr Edwards

A BIG THANK YOU to our parents and carers

Although the school is closed to students during the summer holiday, it remains a hive of activity for our hard working Facilities Team and Operations staff. To add to our old designated eating areas, we now have two wonderful canopied areas, enabling students to sit under cover from the rain during break times. They have also been incredibly useful this week providing much needed shade from the hot sun.

This project was funded by School Fund donations provided by you, our wonderful parents and carers. Huge thanks to you all for your generosity, which has improved the leisure environment for our students.

RAAC Survey

You will have seen the reports in the media regarding reinforced autoclaved aerated concrete or RAAC.

We have had a full survey of all school buildings carried out and can confirm that none of the buildings at Cox Green School contain RAAC.
