Newsletter 16th—20th October 2023

Dear Parents and Carers,

What a finish to the end of term! Our students have enjoyed a very busy week with end of term activities and have celebrated their hard work and achievements. It has been wonderful to hear of the many successes of our students and they should be very proud of their efforts for the start of the year.

The Halloween door decorations are well underway and the competition is fierce between the tutor groups and staff. We will be delighted to share the photographs of the finished projects in the new term and I have been impressed with everyone's effort so far.

On the last day of term, Year 8 and Year 9 were excited to meet with local MP, Theresa May and councillors for a lively Question Time Session. Our Student Leadership team formed part of the panel with Mrs May and presented insightful views with confidence. My thanks to Mrs Kirby for her arrangements for the day.

I would like to take this opportunity to wish you all a wonderful, well deserved rest.

Best Wishes
Mr Edwards, Headteacher.

Sparx Maths

The Maths department are now using Sparx Maths for all the compulsory homework for KS3 & KS4. All students can access the Sparx website using their school email account and password. The students have over 6 days each week to complete the set homework. If your child has any issues logging on or completing the homework, they need to see their Maths teacher or Mr Morris at break times, before the day the homework is due.

In the past 3 weeks, so far students have successfully answered over 150,000 questions correctly on the Sparx platform. The best performing class last week was 7G/Ma2, while 9G/Ma1 had the biggest improvement from the previous week.

Which class will be next week's champions?

Some parents have reported experiencing issues with their sQuid app. If you are experiencing any problems, you may be using an outdated version of the app. We recommend that you delete the app and reinstall it, to ensure that you have the latest version. Alternatively, you can access your child's sQuid account on the sQuid website at:

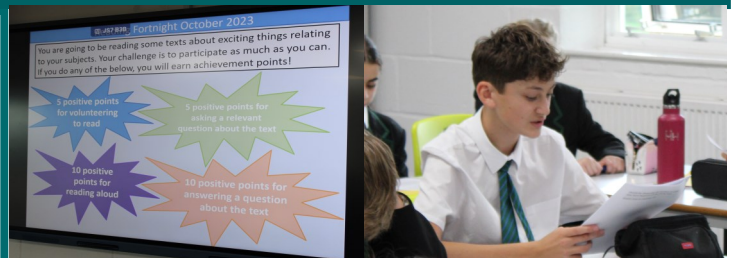

<https://squidportal.squidcard.com/LoginPortal/>

We particularly recommend using the website rather than the app if you are trying to book a potentially oversubscribed trip, or if you are making an overdue payment for a trip. If you have any issues with your sQuid account, please contact our finance office at finance@coxgreen.com or sQuid customer services at customerservice@squidcard.com.

#Literacy Matters

Wider Reading Fortnight

This term we celebrated our first wider reading fortnight launch! Students enjoyed reading an array of texts linked to their subject areas, to build on their subject knowledge and make links to the wider world whilst improving their literacy skills. For more information on our curriculum, please visit our literacy page on the school website: [Literacy \(coxgreen.com\)](http://coxgreen.com)

#Readingmatters

Our top picks for Half Term reads!

Year 7: *Pig Heart Boy* by Malorie Blackman

Year 8: *The Breadwinner* by Deborah Ellis

Year 9: *Life of Pi* by Yann Martel

Year 10: *Brick Lane* by Monica Ali

Year 11: *Cry, the beloved Country* by Alan Paton

Sixth Form: *The Hare with Amber Eyes* by Edmund de Waal

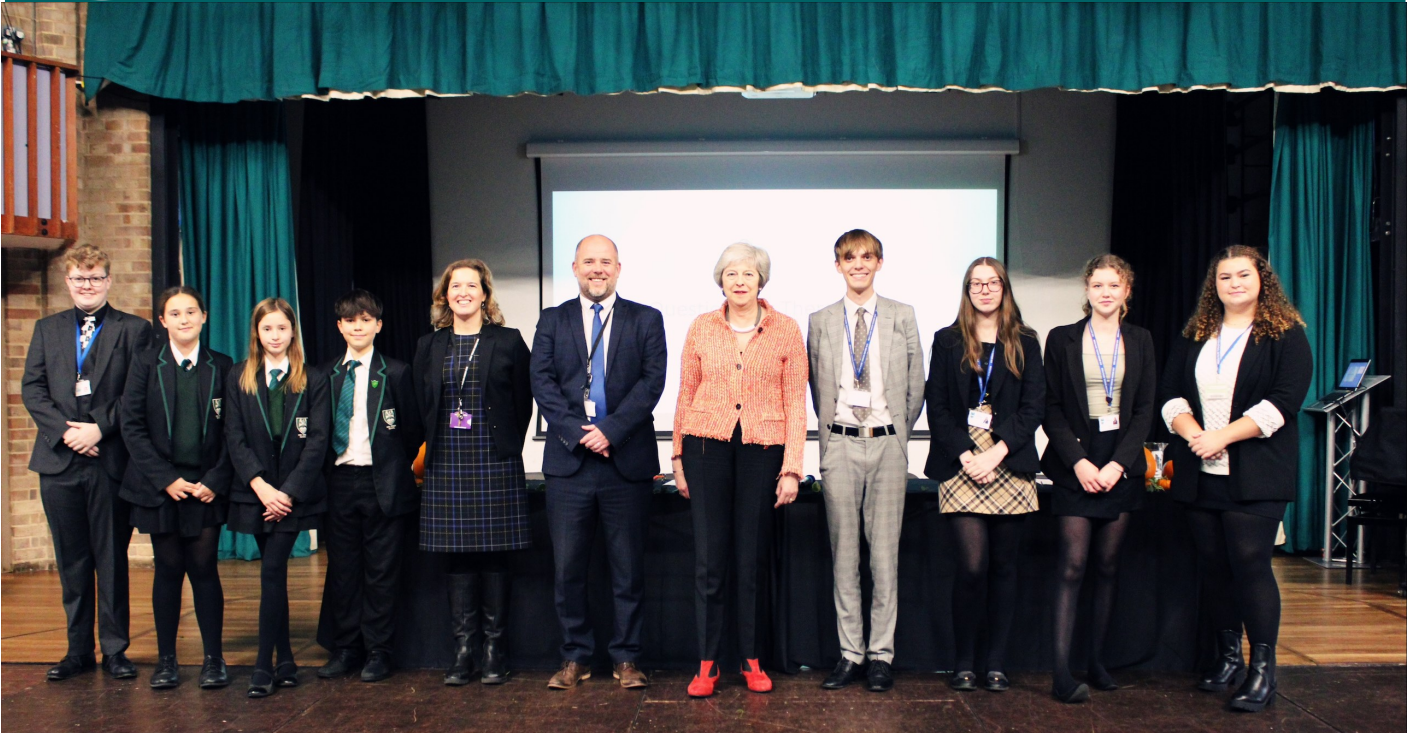

Our Year 10 Reading Mentors are ready for action! Next term, they will be providing 1:1 support for younger pupils, recommending engaging books and help promote a love for reading! #readingmatters

Don't forget to check out more reading lists available on our literacy webpage to support your child with reading!

Personal Development

It's been a busy week for our students in our Personal Development sessions to complete the end of term. Year 7 finished their work on British values, while Year 10 and Year 11 completed their respective tasks exploring their values in future prospects and relationships. Our Sixth Form students continued to look at UCAS and university applications as well as discussing ways to manage stress. Our Junior Student Leaders enjoyed an adventurous team building session together which proved great fun! Year 8 and Year 9 focused on studying local and national politics in their Personal Development sessions and discussed the importance of having a voice. Both year groups were excited to welcome special guests to the school this week; in lively Question Time sessions, Year 8 met with our local MP, Theresa May and Year 9 participated with our local councillors. Next term, Years 7-10 and Sixth Form will be looking at Relationships and Sex Education, while Year 11 will start to prepare for their futures with interview practice. We will also be holding an Anti-Bullying Day on November 17th for Y7-10.

Online Mental Health and Wellbeing Support for Young People

Over the coming weeks, your child may mention that they have been made aware of a service called Kooth. It provides early intervention mental health support to children and young people. Kooth is free to access via any internet-connected tablet, computer or smartphone. There are no waiting lists or thresholds to meet and a referral from a medical professional is not needed. Your child can join Kooth anonymously simply by visiting www.kooth.com. Kooth offers young people a range and choice of support options under one digital roof.

It has services that are accessible 7 days a week, 365 days a year. This includes one to one text based sessions with experienced counsellors and wellbeing practitioners run from midday to 10pm on weekdays, and from 6 -10pm at the weekend. Appointments can be booked in advance or accessed via a drop-in text-based chat. Kooth also provides a fully safeguarded and pre-moderated community with a library of peer and professional created articles. And there are discussion forums too. All content is pre-moderated and age appropriate.

Kooth covers many topics on the website including relationships, LGBTQIA+, exam stress, anxiety, eating difficulties, self harm, suicidal thoughts, body image, social media, bullying and family worries. All of these subjects affecting young peoples' mental health are presenting issues that Kooth and other mental health providers see from all age groups. Kooth is commissioned by the NHS and clinically approved for children from the age of 10, and is the only digital mental health provider to hold a BACP (British Association for Counselling and Psychotherapy) accreditation across the UK.

If you would like to know more about Kooth you can watch a 5 minute overview here: [Parent Carer 5 min webinar.mp4 on Vimeo](#) and if you have any questions please do let Mrs Phelps or a member of the SAFE Team know.

If you would prefer to contact Kooth directly, please email parents@kooth.com.
