

Cox Green Newsletter

Newsletter 9th - 12th July 2024

Dear Parents and Carers,

Well done and congratulations to Year 10 who completed their work experience this week. We received excellent feedback for our students and it has been wonderful to hear just how much the students enjoyed and engaged with the experience.

Congratulations to Miss Last (SAFE Manager for Year 7) for her recent achievement, receiving the Gold Award for supporting Young Carers at Cox Green School. We are very proud of Miss Last's work within the SAFE Team and we were thrilled to see this publicly recognised in the Borough awards. If any parent feels that their child is a young carer and would like some support, please do contact the SAFE Manager for your child.

Thankfully, the weather held today and our students were able to enjoy the highly anticipated annual UNITY festival. My thanks to Mrs Gullick and the UNITY ambassadors for all their hard work and organisation. Staff and students enjoyed a day celebrating our diverse community, with standout singing, readings and dance performances. Thank you to our staff, students and parents for supporting the event making the day an overwhelming success.

I would also like to take this opportunity to remind parents and carers of our Ofsted Parents Forum which will take place from 5pm—6.30pm on Wednesday 17th July. Parents and carers from all year groups are warmly invited to attend.

Wishing you all a wonderful weekend,
Mr Edwards, Headteacher

DofE—Assessed Silver Expedition

Our students braved the rain and successfully completed their assessed Silver expedition. The expedition included a two day assessed hike and overnight camp. All students had a wonderful time and we are very proud of their achievements.

Our Year 12 students celebrated the end of their first year in Sixth Form with a day at the seaside! The great British weather was kind to us in Brighton. Students enjoyed exploring the lanes, the sea front and learning that seagulls will eat ANYTHING out of their hands, including Mrs Olmos' donut! At the end of the day, Year 12 sat together to eat their fish and chips on the beach in the sunshine. We want to congratulate Year 12 for an amazing first year in Sixth Form and we look forward to welcoming them back as Year 13's in September.

Enjoy work experience next week and have a lovely summer!

U13 Cricket

The U13 cricket team played an away game against Edgbarrow School this week. This gave them a chance to display the skills they've been practising during Cricket Club. Batting first, Cox Green finished with 68 runs off their allocation of overs.

In Edgbarrow's reply, they lost 2 wickets before they had scored a run as the Cox Green bowlers performed brilliantly. In total, they hit the stumps (bowled out) 8 of the Edgbarrow team, whilst also fielding well and making 2 run outs. Stars with the ball were Hayley Ronaldson who took 3 wickets for just 4 runs in her 3 overs, whilst Daniyal Aamir took 3 for 12.

Ultimately Edgbarrow were all out for 55 runs, leaving Cox Green the winners by a 13 run margin. Both Mr Saunders and Mr Critchley are really pleased with the efforts and improvement the whole team have made over the course of this school term. All the players should be proud of their achievements and we look forward to seeing them develop further next year.
